Dear Sponsor:

The Rock County Sheriff's Office and the Edgerton Police Department truly appreciate your assistance with our National Night Out 2017 event held August 1st at Racetrack Park in Edgerton.

National Night Out 2017 brought public safety personnel and members of the public together for a completely free, family-friendly night of fun. The connections created between law enforcement officers and citizens lead to safer, stronger communities. Over 3,000 people attended and enjoyed a community cookout, public safety demonstrations, informative vendor displays, kids' activities and games, live music, and free raffles for adults and kids.

We were very grateful to have Jim's Carts N Parts LLC as a Sponsor of National Night Out 2017. As a free event, we rely on sponsors to provide the best National Night Out possible. Thank you for your generous donation of the use of six Golf Carts during our event. We are also thankful that you transported the Golf Carts to and from Racetrack Park. Your support directly contributed to the success of National Night Out 2017.

Our agencies greatly value the opportunity to partner with Jim's Carts N Parts LLC. Thanks again!

With gratitude,

Robert D. Spoden,
Sheriff
Rock County Sheriff's Office

Tom Klubertanz,
Chief of Police
Edgerton Police Department
